SAVE THE DATE
Weltwärts South North Component Partner Conference
2nd – 6th June 2020 in Kassel, Germany

Dear members of partner organisations working with weltwärts South-North component, on behalf of the German Federal Ministry for Economic Cooperation and Development (BMZ) and the weltwärts programme steering committee we would like to announce the third Partner Conference for the weltwärts South-North component. It will take place in Kassel, Germany.

The conference will be hosted by the IB Südwest gGmbH (IB VAP Kassel) in cooperation with the following weltwärts organisations: Kiekare Guadalajara, Mexico, Diakonie Hessen Kassel, Germany and Sozialer Friedensdienst Kassel, Germany.

The conference provides a platform for weltwärts partner organisations and further weltwärts players for content exchange, personal networking and enhancing the dialogue between the different participants of the programme. The results of the follow-up process of the South-North evaluation will also be content as well as the south partner networks and other topics.

We kindly request you to save the date. An official invitation including a registration form and detailed information follows within the next weeks.

There is a certain number of places for international sending organisations and for German host organisations and places of assignment from Germany. Due to this limited capacity we can only accept one person per organisation.

The conference language and reporting will be in English and Spanish.

Following the partner conference, *bezev* (Behinderung und Entwicklungszusammenarbeit e.V., Disability and Development Cooperation) invites you to an evaluation workshop on 07th June 2020 from 09:30 a.m. to 5:00 p.m.

The aim of the workshop is to exchange experiences on the inclusion of volunteers with impairments/disabilities in the South-North programme and to identify the needs of sending and host organisations. More information will follow.

Participation in the partner conference is also possible independently of participation in the evaluation workshop.

The registrations for the two events will run separately.

If you have any queries do not hesitate to contact us.
We are looking forward to your participation!

With kind regards
Bernhard Marien
