

## **Intended impacts for the weltwärts volunteer service**

### **Intended impact 1**

As a non-formal educational programme, the weltwärts volunteer service contributes towards acquisition of the knowledge and skills needed to promote sustainable development within the meaning of SDG 4.7 among volunteers and, indirectly, in their social environment and among other programme stakeholders.

### **Intended impact 2**

In line with the principles set out in SDG 17.17, the weltwärts volunteer service supports programme stakeholders in their efforts to establish partnerships and strengthen them to promote global, sustainable development.

### **Intended impact 3**

The weltwärts volunteer service strengthens (past) volunteers' personal, social and professional commitment to a socio-ecological transformation as described in the 2030 Agenda.
